<b>Whether the HT Facility is for its own use or commercial facility?</b>	
<b>Whether the company is applying for the registration for the first time?</b>	
<b>Whether separate storage facility is available to store treated wood packaging material?</b>	
<b>Is the application for renewal of registration of HT facility? If so give the particulars of Regd. Number/date of issue/valid up to (Attach original Registration Certificate)</b>	
<b>Wood core temperature data loggers (attach temperature print out)</b>	
<b>Air temperature data loggers (attach temperature print out)</b>	
<b>Additional information, if any</b>	

## **3. Declaration of Intent**

**I/We declare that the information provided as above is complete and correct in all respects. I/we read/understood the certification requirements of the facility and abide by the terms and conditions of certification prescribed thereof by the NPPO. I/We understand and undertake to comply with all the stipulations of the International Plant Protection Convention (IPPC), International Standard on Phytosanitary Measures (ISPM) - Guidelines for Regulating Wood Packaging Material in International Trade (ISPM No. 15, Adopted 2018; published 2018), with specific reference to the following:**

- 1. I/We commit and declare that all wood packaging material shall be treated in accordance with the "Approved measures associated with Wood Packaging Material" as included in Annex 1 of the abovementioned guidelines, copy available on request.**

2. I/We commit and declare that all wood packaging material shall be certified as having been subjected to an approved phytosanitary measure indicated in Annexure 1 and by means of the approved certification mark included in Annexure 2 of the above-mentioned guidelines.
3. I/We accept that if we are registered, I/We are responsible for the safeguarding of the stamp and to keep records for auditing purposes for at least two years.

4. I/We accept that if we are registered we will not transfer, franchise or authorize third party to use our registration.

5. I/We accept that if in any manner I/we do not comply with the requirements of the abovementioned international standard and NPPO standard working procedure it could result in the deregistration or suspension of registration for maximum period of 12 months.

6. By signing this application form, I/We agree that I/We will avail myself/ourselves to be audited annually or when it is necessary and I/We will be co-operative.

7. I/We accept that if in any manner I/we do not comply with the requirements of the abovementioned international standard and NPPO standard working procedure it could result in the cancellation or suspension of registration.

8. The NPPO shall not be held responsible for any financial or other losses, incurred as a result of non - compliance to the measures of the above-mentioned international standard.

9. I/We accept the opinion, protocol and requirements of the NPPO as final and in accordance with the above-mentioned international standard.

10. Registration shall be valid for two years and NPPO reserves the right to cancel or suspend registration should the registered service provider found to be non-compliant during audit/inspection and/or notification of interception received from importing country.

11. The applicant should notify the NPPO in writing in case he/she decide to change the following:

- (a) Address of the business premises
- (b) Telephone number or fax number
- (c) Name of the Business
- (d) The applicant resigning/no longer with the company
- (e) No longer in operation

Name & Signature of HT Facility owner with Date & Seal	
Name & Signature of HT Operator applying for accreditation with Date
